Thanks Leif for your response. The delegation package is apparently with Blake and Tom heard it may be signed this week. The new 2-43 correctly has the delegation going to the Director of the Water Division so if that can be finalized this week that would take care of the issue.

Here's the link to the current Region 4 delegations. FYI that there are revisions to the delegations being circulated for review and approval but it will likely be a while before the revisions are finalized.

Hi, Matt – Do you have a copy of the elusive delegation manual you could send my way? I worked on the potential revision with Phil a couple of years ago, but cannot seem to locate the original/current version we were working with.
